**At Black Diamond Group, our Teams
are passionate about doing good in the
communities where we live and work.**

The Community Events Unit Program enables local community organizations hosting public events to benefit from the quality and versatility of a BOXX Modular unit free of charge. Only pay for the cost of insurance and transportation to your event. These units can be used for a wide variety of applications at local events:

- Sales Kiosk
- Food & Beverage Station
- Information Centre
- Staff Break Room
- And so much more!

Interested in having a Community Events Unit at your next event? Scan the QR Code, complete the request form and a BOXX Modular representative will be in touch to finalize the details.
