

# OUR WAY IS TO FIND A BETTER WAY

# HOSPITALITY IN THE MOST INHOSPITABLE ENVIRONMENTS

Black Diamond has become a leader in providing premium, full-service remote work accommodations and facilities for one simple reason: We know how much it sucks to be stuck in the middle of nowhere, miles from friends, family and the comforts of home.

We've been there. And we "get" the importance of inviting, relaxing, high quality lodges that make workers feel more appreciated and more at home.

## **WE WORK WHERE YOU DO.**

In the oil sands. In the emerging shale gas regions. In mining communities. In the woods and on the tundra. Anywhere.

We proudly serve industries operating throughout Canada and the U.S., offering first-class camp solutions that will accommodate crews ranging from fifty to thousands.

## **RAPID, TURNKEY AND CUSTOMIZED SOLUTIONS.**

We know the pressure you're under to get things up and running – and fast! So we offer "field-proven" equipment that is ready to roll. We can also provide completely customized solutions to meet your unique needs.

Equally as important, Black Diamond has the expertise to get the job done. Engineering & design, transportation, logistics, installation, site services and ongoing maintenance – we do it all.

## **STRUCTURES FOR WORK, PLAY, REST... AND MASSIVE END-OF-SHIFT APPETITES.**
